BUILDING HOPE DINNERS:

Serving Together to Make Christ Known

Our gracious Heavenly Father has given us many, many reasons to praise Him over the years, by providing "exceedingly abundantly" for Mescal's Children's Center of Hope, since our humble beginnings in 2012.

- At our spring dinners this year (details below):
- we will be taking a look back at His faithfulness;
 - celebrating what He is doing today at Mescal's in the lives of our children;
 - and sharing what we earnestly and prayerfully believe His vision for the future is.

Please see details below and consider joining us at one of our dinners and/or partnering with us.

POINTS OF INTEREST:

- * BH Dinners Planned
- * Welcome New Team Members
- * The School!

Saturday, April 25, 2020

WELCOME, NEW MESCAL'S TEAM MEMBERS!

We are delighted to welcome **Emily Griffin** to the Mescal's team as our first Program Director.

She comes to us from Lifeline Children's Services, where she served as a social worker. Emily has a love for foreign missions and she has been to MCCH twice, once serving as the mission team leader. Our staff in Kenya know Emily well and have highly recommended her for this position. Most importantly, she is a passionate Christ Follower and will be a wonderful asset to the ministry. Also, she just happens to be Mescal's granddaughter.

Likewise, we are so excited to welcome **Jeff Bush** to a more official role at Mescal's. He has served on the MCCH board and is most loved and esteemed by our Kenyan staff, as well.

Jeff is the owner of Jeff Bush Videography and will be serving Mescal's on special projects involving videography and computer programming. Also, he will be stepping into the most important role as Vice-President of the Board of Directors.

Jeff's wife, Anna, too, is passionate about Mescal's and they served as short term missionaries there in 2015. Anna is a Pharmacist and they live in Thomasville, Georgia.

THE ROOF IS ON!

Recently, the roof on the school was completed, and the interior finishing work has begun!

A bank official from Nairobi recently made a surprise visit to MCCH to verify that the funds wired from the United States were being used for the designated school project. He marveled at the building and commented that he was amazed at how it could have been constructed for that amount.

Steven Owour, MCCH Assistant Manager, told the banker (who was not a Believer) that God had provided and directed the project, and the official agreed, "Yes, only God!"

Please Pray:

- That all of MK's will come to know Christ as their personal Savior and grow and mature in their faith
- For their physical, mental, and emotional health
- That God will lead in planning and provide resources for the new Christian School
- That the Board of Directors will seek God and listen and obey Him as they plan for the future of MCCH
